Examiner: To be assigned

For: Galactanase Variants

REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This application is a national phase application of PCT/DK2003/000851 filed in the names of Leonardo de Maria, Allan Svendsen, Torben Vedel Borchert, Lars Lehmann Hylling Christensen, Sine Larsen, and Carsten Ryttersgaard. The application claims domestic priority of U.S. application nos. 60/437,615 and 60/461,230 filed January 2, 2003 and April 8, 2003, respectively. The inventorship and domestic priority information was identified in the Application Data Sheet which was filed on June 6, 2005.

However, the filing receipt received by Applicants identified only one inventor (*i.e.*, Leonardo De Maria) and did not include the domestic priority information.

Applicants therefore request the issuance of a corrected filing receipt identifying all of the inventors and providing the domestic priority information.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: November 15, 2007
